

WELCOME to The Family Club

meets on Wednesday From 10 am to 12 pm

Where: Taivalkoski Library, Urheilutie 4 A

When: **29.9, 13.10, 10.11, 8.12.**

The family club offers opportunities to meet with other families and share experiences of the everyday life with peers. Club is planned especially for kids and parents who are normally staying at home during the weekdays.

Every week we offer different fun activities for kids and parents. Ideas and requests are always accepted since program is planned based on feedback from the families.

No advance registration is required for participation in family club.

We offer snacks and coffee for everyone, and you can always talk with family worker during the meetings. Sometimes we have interesting visitors from the library or from other sectors concerning family life.

You get a nice variation to the mornings, and the kids can enjoy the toys, books, and each other's company. Bring your library card with you so you can also lend books and other readings at the same visit.

We will follow the local restrictions and guidelines concerning coronavirus situation.

Family worker **Susanna Käsmä, tel. +358 40 860 9003**
